

## Daring Raid On Lawrence Store Foiled

A daring attempt by two young men with a stolen car to rob the James Lawrence dry goods store in Abbotsford of a large assortment of stock was foiled by Provincial Constable Philip Bolton at 4:30 o'clock Monday morning.

Noticing a car with running motor at the Post Office, Const. Bolton first thought it was someone posting a letter rather early, but went to investigate. Apparently disturbed by his approach, two young men dashed to the car with a number of hats and drove off westward at terrific speed. Const. Bolton snapped three shots with his service revolver at the speeding car and apparently damaged it judging by smashed bullets found later. He got part of the license and later in the day a report was received that the car was one stolen during the night from L. H. Eyres, M.L.A. at Chilliwack.

A pile of selected goods was left in the store by the robbers in their hasty departure.

### At Mt. Lehman

The following night men with the same car were frightened off from an attempt to take gas from Jim McDonald's truck at Mt. Lehman. Const. Parker was quickly on the scene, but they had made good their escape.

Police have a good description of the men who are believed "bottled" on the south side of the Valley.

### CHARLES ELSWORTH GEPHART

Death of Mr. Charles E. Gephart, for many years a resident of the Peardonville district, was discovered Friday forenoon by a neighbor. He had passed away apparently while performing the morning chores at his home on the Huntingdon road.

The late Mr. Gephart, who was predeceased last October by his wife, was born in Ohio, and was in his 72nd year. He had resided in British Columbia 48 years. No near relatives are known.

Funeral services are being held this Wednesday afternoon at 2 o'clock from the Henderson Funeral Home, Abbotsford.

### MISS ROBERTS HURT

Failing to clear a truck which slowed down on the highway on approaching a herd of cattle, Ben Thompson, Marshall road, Matsqui, spilled his motorcycle Sunday, and Miss Florence Roberts of Abbotsford, riding pillion, sustained head lacerations and a bruised hip when thrown from the machine. She was taken to M.S.A. General hospital for treatment. The accident occurred near Sumas shingle mill, east of Abbotsford. The truck was driven by Edward Tearo of West Vancouver.

## Items of Interest In and Around Abbotsford

Miss Kay Boley, who is employed in Vancouver, was a week-end guest at the home of her parents. She was accompanied by Mr. and Mrs. Philipps.

Janet Golos and Mary Lindores were successful candidates in the recent examinations of the Royal Schools of Music, London. They are pupils of Miss Freda Nelson of Abbotsford.

Mrs. Petapiece, Mrs. Shaw and Mrs. Lisk of Sumas, Wash., and Mrs. Hannah Fraser of Abbotsford motored to Wiser Lake Park at Lynden on Wednesday, July 13, to celebrate Mrs. Petapiece's 82nd birthday. Mrs. Yarwood of Huntingdon and Mrs. Sam Trethewey of Vancouver were on their way to join the party when their car collided with another car, necessitating their removal to the General Hospital, where they are now convalescing.

### Kenneth Shore To Be Married On Friday

Mr. and Mrs. Manford J. Swallow of Vancouver and Grand Prairie, Alta., announce the engagement of their second daughter, Miss Evelyn Mae Swallow, to Mr. Kenneth Arthur Shore, only son of Mr. and Mrs. M. M. Shore of Abbotsford. The wedding will take place in St. Paul's Anglican Church, Vancouver, on Friday, July 22, the date of the 27th wedding anniversary of the groom-elect's parents.

## \$3000 Addition to Garage Indicates Progress in Area

ROSS BROS. GARAGE ON HIGHWAY AT ALDERGROVE

Indicating not only the confidence of the business men serving the Abbotsford-Sumas-Matsqui area, but the development that is taking place in the district, a \$3000 addition has just been completed to the Ross Bros. Garage on the Trans-Canada highway at Aldergrove. The addition, measuring 90 by 36 feet brings the dimensions of the big motordrome up to 110 by 110 feet and provides a total of more than 1000 square feet of floor space for show room and mechanical departments of the Chrysler agency.

Ross Bros. enjoy a sales volume

through public confidence and knowledge of adequate and modern service facilities that permits them to represent the popular Chrysler motor cars on both sides of the Fraser river between Surrey and Chilliwack boundaries on the south side and the Stave and Harrison rivers on the north side.

The spacious and fully equipped garage, with the new addition shown on the right is illustrated above. It forms an attractive and well-known port of call to travellers on the Trans-Canada highway, as well as to local car and truck owners.

## Call Tenders On Building For Plant

Tenders are being called for the construction of a building to house the locker cold storage plant which is to be erected in Abbotsford as a division of Sumas Co-operative Association. The provisional directors, under the chairmanship of J. S. Daly, met on Monday night. They threshed out the remaining details but as an added precaution, decided to submit proposals as regard the equipment to the impartial consideration of government engineers. This is being done today in Vancouver.

Tenders for the building, according to the announcement in this issue, are returnable by Saturday, July 30. It is expected that construction will commence early in August. Every care is being taken, Mr. Daly states, to ascertain that the Abbotsford plant will contain the latest and best features of this comparatively new but extremely popular facility to the agricultural industry and general public.

### CLUB DONATES \$15 TO GLASSES FUND

The ladies of the S. & K. Club recently held a sale of work and strawberry tea on the lawn at the home of Mrs. Barker. Mrs. Kerr was the winner of an interesting contest, and a bed spread, made and raffled by the club, was won by Mrs. Everett. Proceeds of the affair enabled the club to donate \$15 to the Children's Glasses Fund.

### TRADE BOARD TEAMS IN SECOND SERIES

Mission Board of Trade defeated Abbotsford 22-21 in the first of the second softball series between the boards. The game was played last night on Mission agricultural ground. Next game will be held in Abbotsford, Tuesday evening, August 2.

## M.S.A. Health Unit Report Shows Many Nurses' Activities Among 1700 School Children of District

The school population of the M.S.A. area in the last year was 1725, and of these, 1717 were examined; 841 were examined by the Medical Health Officer and the remainder by the nurses. Through home visits, the parents were notified of the defects found. Each child was also given a notice listing findings of the doctor or nurse on examination. These notices were to be taken home. Many children were also referred to the Medical Health Officer in order to diagnose skin eruptions.

The M.H.O. also examined the throats of 205 children in the Matsqui school. It was hoped in this way to find scarlet fever cases before the rash had broken out. Those children with suspicious looking throats were excluded from school. 322 children of the Abbotsford Superior School were inspected by the nurse for the same reason and 25

## 25% Increase in Prize Money for Central F.V. Fair

Prize money available for the 1938 prize list of the Central Fraser Valley Fair, Abbotsford, in September represents an increase of approximately 25 per cent, compared with 1937, according to L. J. Kettle, secretary. The total, however, does not reach the amount necessary to place the C.F.V. Fair in "B" category.

A meeting of the executive was held in Abbotsford on Saturday night and arrangements made for a further canvass this week. Vice-president D. Hunt, Secretary Kettle and D. F. Stafford visited Vancouver and New Westminster again on Tuesday to solicit further assistance from Coast firms, and this aid, together with the value of merchandise prizes is expected to make the required total.

A final meeting to prepare the prize list will be held on Saturday at 8 p.m. in the Commissioners' Office, Abbotsford.

### MANY ATTEND PICNIC

More than 40 persons from the A.S.M. area were among the 1000 who attended the annual Brackman-Ker staff picnic held last Wednesday. The excursion boarded SS Princess Victoria at New Westminster and spent an enjoyable day at Newcastle Island. J. S. Daly stores took advantage of the excursion and staged their annual picnic on the Island.

## Brothers Preside at Orange Celebration at Royal City

ANDREW CALHOUN  
County Master, L.O.L. C65

W. J. CALHOUN  
Grand Master Loyal True Blue Association of B.C.

Andrew Calhoun, county master of the New Westminster County Loyal Orange Lodge No. C65, and W. J. Calhoun, grand master of the Loyal True Blue Association, took a leading part in the great Orange Lodge celebration at New Westminster on July 12. By a unique coincidence these two Royal City men, brothers, hold high offices in the Orange Order simultaneously this year.

The County Lodge sponsored the celebration of the 248th anniversary

of the Battle of the Boyne at Queen's Park, attended by hundreds of members from all parts of B.C. Andrew Calhoun presided at the official ceremonies at Queen's Park.

W. J. Calhoun, representing the True Blues, spoke on the early history of the Loyal True Blue Association, mentioning that it is just 50 years ago last May since the organization decided to admit ladies in membership. He outlined the benevolent work done by the association in co-operation with the Loyal Orange Association in behalf of orphan and needy children. The original home in New Westminster, the forerunner of the present Loyal Protestant Home for Children, was founded in 1913 by the True Blue Association.

About 40 members representative of L.O.L. 1867, L.O.B.A. 1025 and L.T.B. 244 attended the celebration from the A.S.M. area.

### TWO EXTINGUISHERS ADDED TO TRAILER

Two chemical fire extinguishers, each of which may be carried by one fireman and used effectively in the early stages of a blaze, have been added to the equipment of the chemical and ladder trailer of the Abbotsford Fire Brigade, it is stated by Mr. J. Gilmour, chairman of Abbotsford Commissioners. The extinguishers have been loaned, it is understood, by Fire Chief A. Hulton-Harrop until Abbotsford Commissioners secure similar equipment.

## Poplar Woman Passes After Long Illness

Death has mercifully released a popular figure in the person of Amy Sara Louise Hindson, wife of Mr. J. S. Brundige, who in the space of a short residence here had become highly regarded and whose lengthy illness brought the sympathy of all to the modest home on the Huntingdon road.

Confined to her bed for nearly two years by a painful illness, Mrs. Brundige passed away on Friday evening, July 15. The funeral services were held from Polpar United church on Monday afternoon, Rev. A. W. Gay officiating. The church was filled by the many friends of the deceased and there were many floral tributes from the Coast and Prairie cities as well as locally. Gillies' Mortuary Home, Mission City, had charge of the arrangements.

Pall bearers were F. C. Butcher, H. C. Green, Johan Schroeder, H. H. Hammond, R. L. Gray and Mr. Schram. The remains were taken to Vancouver for cremation and later the urn, at the request of the deceased, will be placed under a Mountain Ash and Lilac which she

had her husband plant in front of their home a few months ago.

A graduate of Darlington College, England, and holding the title, *Lit-erate in Arts*, awarded her with honors by St. Andrew's University, Scotland, the late Mrs. Brundige was born in England in December, 1882. Prior to her marriage six years ago she was vice-principal of Kitchener high school, Regina, Sask. Mr. and Mrs. Brundige came to Matsqui 3 1/2 years ago, and in the brief interval before she was overcome by her fatal illness, Mrs. Brundige won a host of friends through her charm and ability and efforts on behalf of Poplar Women's Institute, of which she was an officer, and other organizations. She is survived in this country by two sisters and a niece at Nelson. Mrs. Frank Holt, Mrs. Robinson and Mrs. Burbridge and by several brothers and sisters in England.

## Golden Nuptial Mass Held For Local Couple

Parishioners of St. Ann's Catholic church, Abbotsford, on Thursday evening, honored Mr. and Mrs. John Birosh at a surprise party on the occasion of their golden wedding anniversary. Over 35 relatives and friends gathered for the occasion and enjoyed a pleasant social evening, during which the honored couple were presented with a gold-plated silver tray, cream and sugar bowls and cake knife.

Mr. and Mrs. John Birosh were married at Budapest, Hungary, on July 15, 1888. Mr. Birosh was born in Vazecs, Lipto, Czechoslovakia, in December 13, 1858 and his wife, Anna Bella, was born in Vysnic, Matasovce, Czechoslovakia, on July 7, 1865. Of nine children born to them, six, all married, survive.

A golden wedding nuptial mass was held at St. Ann's church on July 15, Rev. Fr. Csaki officiating, and which was attended by a large proportion of the congregation. On Sunday afternoon Mr. and Mrs. Birosh entertained a number of relatives and friends. Among those present were Mr. and Mrs. John Ordos of Sumas, Mr. and Mrs. C. James and son of Seattle, Miss Ann Ward of Vancouver, Mr. and Mrs. George Birosh of Edmonton, Alta.

Despite their age, both Mr. and Mrs. Birosh are active and operate their farm just north-west of Abbotsford. They have been here for ten years, coming from Sumas, Wash. Previously they had resided at Medicine Hat for almost 30 years. They have been in Canada over 40 years. A devout couple, they are active parishioners of St. Ann's church, and are held in high esteem.

### TO PUMP WATER INTO MAINS FROM WELL

Necessity of shutting off all or part of Abbotsford's domestic water supply during the small hours of the night, as required lately, is being overcome by the installation today of an electric pump at the Rowley well. Water from this source, used on similar occasions in the past, will be pumped directly into the mains and thus will not only augment the supply but increase the pressure. Mr. J. Gilmour, chairman of Abbotsford Commissioners, informed The News on Tuesday.

## \$50,000 Addition to Mission High School

HAROLD CULLERNE ARCHITECT

The above illustration is an architect's drawing of the Junior High School building now under construction at Mission, six miles from Abbotsford on the north side of the

Fraser river. It incorporates the present high school building, and when completed and equipped, the new structure will represent an investment of \$50,000 apart from the

site. Government share is 40 per cent. The school will provide 11 classrooms as well as teachers rooms, nurses room, locker rooms, shops, store rooms and other modern educational facilities.

## BRADNER

Monday evening Mt. Lehman lacrosse team and Bradner Midgets met at Bradner, score being 11-9 in favor of the visitors. The Midgets played Abbotsford on Thursday at Abbotsford, with a score of 9-5 in favor of Abbotsford.

Mr. and Mrs. Laurence McDermid and baby son of Vancouver spent the week-end at the home of Mrs. McDermid's parents, Mr. and Mrs. Bell.

Miss Emily Barclay has returned from Powell River, where she has been the guest of her aunt, Mrs. Rutheford for two months.

Mr. and Mrs. Anthony Brown and son Frank, and Mr. and Mrs. Curtis, were visitors to Vancouver on Tuesday.

Mrs. Roberta Morgan of San Diego, is the guest of her parents, Mr. and Mrs. L. C. Gardner.

Mr. and Mrs. Bill Fatkin of Vancouver visited relatives here over the week-end.

Mr. and Mrs. A. Heslip of Vancouver are guests of Mr. D. Heslip. Mr. Denis Earl has secured employment on Sumas Prairie.

Mr. and Mrs. Curtis and grandson Frank are holidaying in Vancouver.

Mr. and Mrs. Anthony Brown, Mr. M. Smith and Mr. Sidney Smith are guests of Mr. and Mrs. Davis.

## ABERDEEN

Mrs. A. D. McDonald is staying with her daughter, Mrs. J. Cashion of Vancouver.

Mr. and Mrs. Jack Smith and family, Mr. Haney and son, and Mr. and Mrs. Lowe and family motored to White Rock on Sunday.

Miss Adeline Gledhill has returned from Sardis, where she was the guest for a week of Mrs. Reitz.

Capt. and Mrs. H. L. Chittenden, Mr. and Mrs. Middleton and Mrs. Stan Turner were guests of Mr. and Mrs. Wilfred Chittenden of White Rock last week.

Douglas Howell and George Wolsey of North Vancouver spent a vacation with relatives here.

Mr. and Mrs. Arthur Gledhill entertained at crib Friday evening. Mr. Whitely Gledhill won the prize.

## PEARDONVILLE

Mr. and Mrs. M. Goodrich and family spent several days in Vancouver last week.

Mrs. Newman and daughter Elsie spent Sunday at Crescent Beach.

Mr. and Mrs. G. Peardon and family are holidaying at Cultus Lake.

Aubrey Taylor spent Sunday at Birch Bay.

Harvey Dietzman was run over by a logging truck while at work last week and was taken to the M.S.A. hospital. The heavy truck paralysed his left leg.

An old resident, Mr. C. Gephart, died last week.

## MT. LEHMAN

Miss Alice Gardner of Winnipeg, is spending the vacation with her sister, Mrs. C. Ferris.

Mr. and Mrs. K. Bloomfield and daughter of Rock Bay have been visiting Mr. and Mrs. S. Nicholson for the past week.

Messrs. Samuel and Duncan Maxwell were recent guests of Mrs. J. Taylor.

Mr. and Mrs. J. Hay and son were guests of Mr. and Mrs. A. Ryder last week.

Although unexpected rain over the week-end caught many farmers in the midst of haying, no great damage was done to crops. The raspberry yield will be greatly increased because the canes had started to wither for lack of moisture. The rain also proved very beneficial for the later variety of strawberries.

Miss Sara McKinnon of Los Angeles arrived Saturday to visit at the home of her parents.

Misses Margaret Lehman, Elizabeth White and Eiline Nicholson were visitors to White Rock on Sunday.

Mrs. J. Croy was the guest of friends at White Rock over the week-end.

## MATSQUI

Miss Doris Vosburgh, in training at St. Paul's hospital, Vancouver, is spending her vacation with her parents, Mr. and Mrs. H. Vosburgh.

Mrs. G. Kerr and daughter Miss Pauline Kerr are spending a holiday at White Rock.

## SUMAS DISTRICT

Mrs. T. York and Miss Gladys York are spending a week's holiday in Vancouver.

Mr. and Mrs. L. Biasi and family of Seattle and Mr. and Mrs. McMoran of Bellingham were guests at the home of Mr. and Mrs. R. Harris last week.

Miss Viola Nelles is visiting with friends in Vancouver.

Mrs. T. Aish, who has been visiting her son and daughter-in-law, Mr. and Mrs. F. Aish, has returned to Mission.

While attending the Women's Institute Convention in Vancouver last week, Mrs. J. D. Leavitt and Mrs. H. Beeststone were the guests of Dr. and Mrs. Jermyn, former Huntingdon residents.

Mrs. W. G. Fadden visited her sister, Mrs. Wilcox of Langley, recently.

Mr. and Mrs. Fred Nelles attended the Manitoulin picnic at Stanley Park on Sunday.

Mr. and Mrs. Wilson of Vancouver were visitors at the home of Mr. and Mrs. T. DeLair on Sunday.

Valerie DeLair returned with them for a two-week holiday.

Mrs. C. A. Watson who has been spending the past month in California, returned last week with her son-in-law and daughter, Mr. and Mrs. Hutchison of San Francisco, who motored up for a short holiday.

Mr. James Bell of Renton, Wash., Mr. Vic. Tessaro, Mr. Joe Tessaro and Mr. Stuart McGillivray went on a fishing trip to Mamac Lake over the week-end.

Mr. and Mrs. E. B. Holliday of Pasadena, Cal., are visiting their son-in-law and daughter, Mr. and Mrs. H. N. Ord of Sumas Prairie.

Mrs. Douglas Betts (nee Verda Jermyn) formerly of Huntingdon and Abbotsford, arrived from Carcross, Yukon, this week for a visit with her parents, Dr. and Mrs. Jermyn, Vancouver. Constable Betts will join them later for a holiday.

## JUBILEE

Mr. Arthur Mattheson is building a summer cottage at White Rock. He and his family spent Sunday at their new home.

Mr. Lonnie Wray has gone to Squamish to look after his logging interests.

The Jubilee School held its annual picnic under the auspices of the P.T.A. at Stanley Park Saturday. Two busloads of children and parents spent a most enjoyable day.

## CLAYBURN

Mr. and Mrs. Mayne, Mrs. Roy and Miss E. Roy of Vancouver were recent visitors at the home of Mrs. M. Stevens.

Miss Jessie Peachey has returned home from the M.S.A. hospital after a minor operation.

Mr. and Mrs. James Mason had as their recent guest Mr. Roy Mason of Ontario.

Mr. Fred Fooks had a narrow escape on Friday when the bull on his father's farm attacked and killed the saddle horse he was riding.

Mrs. William Young is convalescing at home after undergoing an operation in the hospital.

Mr. Fred Simpson of Britannia is home on vacation.

Miss Katherine Wilson of Vancouver spent the week-end with her mother, Mrs. R. D. Wilson.

### Loaning Agencies Over-Shooting The Mark

In spite of the fact that the loaning agencies are demonstrating little if any interest in the opportunities for business in the well-established smaller centres, British Columbia is making a record for itself under the Dominion Housing Act.

During the past three months, April, May, June, approximately \$985,000 was issued in D.H.A. loans in B.C., or an average of close to \$330,000 a month. Total number of loans involved was 308, or more than 100 D.H.A. homes a month.

On a per capita basis, British Columbia leads the country in D.H.A. activities. Loans to date in B.C. are at a rate of \$3.1 per head of population, the only near figure being that for Nova Scotia, whose per capita loan rate now stands at \$3.07, while Ontario is a distant third at \$2.67.

In British Columbia, to date, Dominion Housing Act homes have been provided at the rate of one dwelling unit for every 852 of population, a much more general application of the Plan than in any other province. Nova Scotia is again in second place, with one unit for every 1425 of population and Ontario third with one for every 1475.

British Columbia is also coming closer to achieving the primary objective of the Housing Act, the encouragement of home building by those of moderate means. Average loan in this province is \$3,076. No other province has managed to bring its average so low, Ontario coming closest with an average loan of \$3,948.

If a few loans were granted in the Fraser Valley centres, where there is a great need of several modest new homes in each town, it would be possible to bring this average much closer to the primary objective. We fear that while this is the objective of the citizen's committee fostering this movement, it is not the desire of the loaning agencies. Larger and fewer loans as near their office chairs as possible seems to be their objective.

### Investigate Possibilities Of Irrigation

Facing possibilities that the recent drought might re-occur, two prominent Valley dairymen recently investigated Whatcom county irrigation plants.

The two men report that phenomenal results are being obtained by irrigation in Washington, parts of which have almost the same quality of land and amount of rainfall as the valley.

A larger number of animals can be fed on acreage of a stated size. Hay, grain and root crops respond to a marked degree to irrigation. Berry and truck crops benefit greatly from applications of water. Water is pumped from streams and wells and put on the land by flooding, in furrows and by sprinkling.

**A Typical Plan**  
On a typical farm installation in Whatcom county, the two men found that the well was centrally located. A main line of four inch steel pipe is laid across the centre of the place. One spray line is used of three inch steel pipe with special flexible couplings every 40 feet. At each coupling there is mounted a sprinkler, which distributes the water in a radius from 60 to 80 feet. This line of sprinklers, 1200 feet in length, is moved every eight hours, the change taking 25 minutes for two men. During this time three inches of water is put on the land covered by sprinklers. The pipe line is changed until the field has been covered. In one case the farmer repeated the operation once a month.

**Higher Yield**  
Dr. S. H. Johnson, Bellingham, reports that his alfalfa yield increased from half a ton an acre to five tons to the acre under irrigation. His power bill for irrigating 30 acres of alfalfa is \$100 a year. His farm is near Lynden.  
Another farmer near Vancouver, Wash., reported that irrigation in-

## THE LIBRARY CORNER

**Texas Cowboys—Dane Coolidge.**  
This historical sketch should be of particular interest to the many addicts, or disciples of Zane Grey. It gives intimate details of the old cowboy life of the West, and the final chapters contain cowboy songs and stories. It is well illustrated.

**The Flivver King—Upton Sinclair.**  
Although this book is listed as fiction, it is really a narrative history of the rise of the flivver empire, centred around the life histories of Henry Ford and of one of his first and devoted workers. The author has known Henry Ford intimately and tells the story with great feeling.

**What Every Young Man Should Know About War—Harold Shapiro.**  
The author writes neither as antagonist nor protagonist of war, but simply provides for the young man the simple truth about modern warfare which he is entitled to have.

**Brittany Patrol: The Story of the Suicide Fleet—H. W. Rose.** The author, who was in Harvard when the world war broke out, enlisted as a radio operator. In this book he tells of his experiences on convoy ships on the inshore patrol, and as a watch officer on a deepsea destroyer.

**Canada, The Pacific, and War—William Strange.** This is the first of a series of books on international affairs as they affect Canada, published by Thomas Nelson & Sons, Toronto. It provides in small compass most of the essential facts the Canadian wants to have about the present situation in the Far East.

### TRADE BOARD PARTY FROM VANCOUVER TO VISIT DELAIR PLANT

Members of the civic bureau of the Vancouver Board of Trade will tour the Fraser Valley on Thursday, July 28, visiting the horticultural property of David Spencer Ltd., at Langley Prairie, the plants of the Fraser Valley Milk Producers Association at Delair and Sardis in the morning and Chilliwack district in the afternoon. The group will lunch at Chilliwack and have dinner at Harrison Hot Springs Hotel. The tour through Chilliwack Valley will be under auspices of Chilliwack board of Trade.

### JUNIOR FARMERS FROM ELLENSBURG VISIT SUMAS FARM

A party of 26 Future Farmers of America from Ellensburg, Wash., visited the Ross Peers farm, Sumas Prairie on Thursday afternoon in the course of a tour of B.C. agricultural areas. Dined by the Vancouver Exhibition Association at noon, the boys were particularly interested in Fraser Valley livestock and methods of production, according to J. Arthur Johnston, director of vocational agriculture for Ellensburg public schools, supervisor. From 12 to 18 years of age, the boys are sons of farmers, and are taking a three-year course divided into soils and crops, animal husbandry and farm management with fourth year part time subjects in farm mechanics.

### Eggs Continue Rise on Fraser Valley Market

Further increases in the prices of eggs and pork featured the Fraser Valley Market, eggs going up one cent a dozen for all grades and pork another cent, to as much as 19 cents a pound wholesale.

Egg prices to producers reached 26 cents a dozen for grade A large, 24 cents for medium and 21 cents for pullets. Retail prices averaged 32 cents for grade A large, 30 cents for medium and 27 cents for pullets.

Seasonal fruits and vegetables of all kinds flooded the market. New arrivals included early transparent apples at eight pounds for 25 cents or \$1 a box. Marrows appeared at 5 cents and 10 cents each. White raspberries were offered at 10 cents a box. Several varieties of beans were available at from 8 to 10 cents a pound. New potatoes were plentiful at 13 pounds for 25 cents or \$1.35 a sack. Raspberries and strawberries could be had at \$1.50 a crate.

Increased his corn yield from one third to one half.  
In Oregon, land under irrigation has risen from 600 acres in 1929 to 19,000 acres this year.

# Local and Provincial Agricultural News

## Summarized Statement of Cow - Testing Association Results for 1937.

Average yield of all cows with completed milking periods:				
No. of Cows	Lbs. Milk	% Fat	Lbs. Fat	
4,490	7,872	4.34	342	
This is an increase of four pounds of butterfat above the average for 1936.				
2,772 milking periods complied with certification requirements—particulars of which may be found in the Sixteenth Annual List of Certified Records (Dairy Circular No. 34).				
The average production of cows representing the four breeds of dairy cattle is as follows:				
	% of Total	Lb. Milk	% Fat	Lb. Fat
Ayrshire	2.9	8,011	4.04	324
Guernsey	22.5	7,652	4.58	351
Holstein	30.4	9,356	3.60	337
Jersey	42.4	6,980	4.94	345
Unclassified	1.8	6,391	4.08	261

### Association Averages

	Milk Lb.	Fat %	Fat Lb.	High-Low
C. T. Association	6,885	3.83	264	300
Bulkley Valley	7,338	4.36	320	366
Chilliwack (Route 1)	7,669	4.65	357	405
Chilliwack (Route 2)	7,498	4.45	334	371
Comox Valley	6,502	4.78	311	337
Dewdney - Deroche	8,547	4.20	359	360
Langley	8,170	4.07	333	438
North Okanagan	6,897	4.62	319	365
Okanagan	7,675	4.39	337	375
Pitt Meadows-Maple Ridge	6,992	4.46	312	329
Richmond - Ladner	8,717	4.27	372	389
Sumas - Matsqui	9,220	4.25	392	434
Surrey	8,350	4.20	351	372
Vancouver Island (South)	7,900	4.40	348	456

Where the rigorous culling of poor producers is practised, even the lowest cows of a dairy herd show good performance and the higher the standard of production maintained, the higher in production will be the lowest. In any association, the two lowest producers of every herd being considered, the highest such couple is rated as High-Low for the year as in the right-hand column above.

### Seventh List of Dairy Sires

This list (Dairy Circular No. 35) contains particulars of 252 sires, 93 being reported for the first time. Of this number, approximately two-thirds or 162 sires have daughters whose production records, almost without exception, are compiled under the auspices of the provincial C.T.A. The remaining 90 sires have recorded daughters, but details are only available concerning those whose names appear in the regular R.O.P. lists. In some cases these may be selected animals for no information is to hand concerning yields of daughters which fail to reach the R.O.P. production requirements.

HENRY RIVE  
Dairy Commissioner

G. H. THORNBURY  
Assistant (Milk Records)

### LARGE VALLEY DEAL

One of the largest real estate deals in the Fraser Valley in some time was consummated when T. D. Coldicutt purchased 300 acres adjoining his present 160-acre estate at White Rock. The prices was reported to be between \$18,000 and \$20,000.

### SEEK CONTROL BOARD

In view of the low price offered by canning companies for their crop, prune growers of Chilliwack have decided to interview the minister of agriculture, Hon. K. C. MacDonald, to consider suggestions that the prune crop be placed under control of the Provincial Fruit Marketing Board.

## NOTICE

It is the intention to cancel the surveys field-notes and official plans of survey of all reverted Crown-granted mineral claims appearing on the printed list of such reverted claims, except those in respect of which an application to lease has been received pursuant to Section 161, "Taxation Act."

No application for a lease of a reverted claim will be accepted after the 25th of August, 1938.

A copy of the printed list of said reverted Crown-granted mineral claims may be seen in the office of any Gold Commissioner or Mining Recorder.

HON. W. J. ASSELSTINE  
Minister of Mines

JOHN F. WALKER  
Deputy Minister of Mines

## ENFORCEMENT OF PASTEURIZATION IS BEING CONSIDERED

Universal pasteurization of milk may have to be enforced throughout Vancouver if the city health department is unable to exert better control over undulant fever, caused by "Bangs" disease in cattle, Dr. J. W. McIntosh, city medical health officer declares.

At present the health department is endeavoring to check undulant fever, of which there have been a number of cases this year, by insisting on periodic checks of dairy herds from which "raw" milk is sold.  
If this practice is not found effective Dr. McIntosh indicates he may ask the City Council to enforce universal pasteurization.  
Dr. McIntosh states he is in accord with the provincial health department's views favoring pasteurization.

More than 100 barrels of berries are being processed by the SO2 method at Chilliwack for export to England, where the mash is made into jam. Growers are paid 4 1/2¢ a pound for the raspberries used.

From January 1 to June 16, 1938, the number of Canadian cattle exported to the British Isles was 19,092 head, compared with 2,272 head for the corresponding period of 1937.

## Health

(Continued From Front Page)

es this year, Infections Diseases  
During Sept. and Oct. 1937 there were 32 cases of Chicken Pox. The total number of cases for the year is 93.

In December and January there were 16 cases of Measles. The chief worry this year has been Scarlet Fever, which, fortunately, has been very mild. There have been 99 cases, and out of this number, three have suffered complications.

Whooping Cough stole a good deal of energy and time from 37 children.

One case of diphtheria developed in the Huntingdon School. Fortunately the parents were aware of the danger to other children and took every precaution. Notwithstanding this fact, 33 throat swabs of the children in the classroom were taken. These were rushed to the laboratory in Vancouver and the reports sent back within 24 hours. Since all these reports were negative, contacts were not quarantined, and thus did not miss any school. Diphtheria is now entirely preventable by the administration of three doses of toxoid. It is hoped next year to have toxoid clinics.

Seventeen cases of Pink Eye, two cases of mumps and one case of Vincent's Angina were encountered during the past year.

Skin diseases included 43 cases of Impetigo, 32 cases of Ringworm, 21 cases of Scabies and three of Pediculosis. These skin diseases are the result of infection due to poor housing and over-crowding, these diseases flourish in parts of the Area and are responsible for a serious loss of school time.

Clinics  
Chest Clinic—Dr. Lamb held a Chest Clinic here in January, 1938, at which 49 cases were examined. One case was examined while the clinic was at Mission, and three tubercular cases went to the hospital in Vancouver for treatment.

Eye Clinic—27 children were taken in to the eye specialist in Vancouver during this term and 19 received glasses. In connection with the Eye Clinic, it was interesting to note that 1349 children have had their eyes tested by the nurses during the past year.

Child Guidance Clinic—These clinics have been held periodically for the past year at Chilliwack. Seven children were taken from this Area.

Crippled Children's Clinic—Six trips have been made to the Crippled Children's Hospital. In some cases good results were obtained with a very short stay in the hospital.

At present there are two children in the hospital from this Area.

Dental Clinic—522 children were treated at the Dental Clinic during the past year, and of these, 318 children had their work completed. 143 toothbrushes were dispensed.

Vaccination Clinic—1090 school and pre-school children were vaccinated during November, December and January, 1937-38.

200 Had Goitre  
Goitre Prevention—1490 children were inspected by the M.H.O. for goitre. Of these, 777 children were treated; 200 actually had goitre.

Iodine tablets given out through the schools, serve as a preventative measure as well as treatment in the early stages of goitre. The early stage of goitre is known as the "plus one" stage. A number of school children, especially in the higher grades, had more serious goitre than the "plus one". These children and their parents were asked to consult their own doctor for more advanced treatment.

Baby Clinics—The first Baby Clinic in the Area was held in Abbotsford in May. Since then there have been three other clinics held, at which 42 babies under the age of two years were weighed and measured. Pamphlets were given to the mothers of the babies. These clinics will be held once a month in Matsqui, Abbotsford and Poplar. Relief—A Welfare Club was formed in the latter part of 1935, to aid the needy children. This year, as last, the club has had heavy demands and has been a great help to the nurses.

The Pre-School Child  
It was possible this year to give more time to the pre-school child from birth to six years of age. 106 infant visits have been made during the past year, and 267 pre-school children have been seen in the course of the year.

Cocoa was served at many of the schools during the winter. It is a great boon to the children who have to take lunches.

In closing the report, Miss Marion C. Miles, supervisor, expresses appreciation of the co-operation of Mr. T. W. Hall, Doctors McDiarmid and McDonald, and the teachers.

## ORCHIDS FOR MARION

Marion Talley, dainty star of the opera and radio, is planning to use her spare time to raise orchids at her home near Hollywood, Calif. It takes seven years to grow the costly flowers from seeds to blossoms, the price of which ranges from \$4 upward. A full-grown orchid plant costs from \$45 to \$5,000, depending on the variety. Marion is shown examining an orchid, one of the variety she may have in her collection.

## Support Public School System For Dominion

One of the largest gatherings of Orangemen ever held in B.C. celebrated at Queen's Park, New Westminster, the 248th anniversary of the Battle of the Boyne on the "Glorious 12th" and once again vociferously endorsed the three resolutions affirming loyalty to the King, the Union Jack and the Protestant faith.

More than 4000 men, women and children of all ages—members of the Loyal Orange Order of the Lower Mainland of B.C. attended.

The first resolution pledged unwavering loyalty to King George VI and prayed for his restoration to health and for the welfare of Queen Elizabeth, the Princesses and the Queen Mother.

The second resolution affirmed the support of the public school system for Canada and endorsed a single official language for "all our people."

The third resolution renewed the pledge of Orangemen to oppose Fascism and Communism and any other "ism" which seeks to overthrow British civil liberties.

## COMMUNITY PICNIC

Date for the annual Sumas (Wash.) Community Picnic has been set for Thursday, August 11, at Cultus Lake, B.C.

The outing is sponsored each year by the Sumas Lions Club, but all residents of Sumas and vicinity are invited to take part in the event.

## FIRST JOINT PICNIC

The Whatcom County Dairymen's Association and the Washington Co-operative Egg and Poultry Association of Whatcom County are holding their first joint picnic today at Ferndale.

## PASS GYM. BYLAW

A three-mill tax levy has been approved by Sumas, Wash., school district voters for an addition to the Sumas grade school gymnasium. The levy raises \$1200 for materials. A grant of \$3361 in WPA labor already has been made.

## PATROLMEN AT SUMAS

Two U.S. Customs patrolmen, W. A. Fassett and D. Davis have been transferred from Deming to Sumas, Wash., where they will make their headquarters.

**\$25,000 Fire On Monday at Chilliwack**

Loss estimated at \$25,000 was caused when fire destroyed the Star Garage at Chilliwack at 8 a.m. Monday. Five new cars and 16 used cars as well as machine shop equipment and tools were lost in the blaze. The building was owned by W. Chambers, Sardis, whose loss is placed at \$10,000. The cars belonged to Brett's Ltd. and service station equipment destroyed was owned by Pat Johnson. Partial insurance was carried.

**FROM WAR ZONE**

Evangelistic services under the auspices of the Pacific Coast Missionary Society will be held in Pine Grove community hall commencing on Sunday at 3 p.m. Rev. G. L. and Mrs. Rowe, missionaries who recently returned from the war zone in China, will address the meetings.

**EARL JACOBSON OPENS GARAGE AT BRALORNE**

Mr. Earl "Brick" Jacobson, accompanied by Mrs. Jacobson, left Abbotsford on Saturday for Bralorne, B.C., where he will operate a garage. Until the end of June, Mr. Jacobson was in partnership with Pete Martin in the Jacartin Garage which the latter will now conduct alone. A resident of Matsqui, Mr. Jacobson is well known here, and a great many friends wish him every success in the new venture.

**B.C. GOVERNMENT LETS CONTRACTS FOR ROAD WORK**

British Columbia has completed arrangements with the Dominion Government for \$660,000 worth of highway and trail development to get underway immediately through the province.

Agreements covering \$300,000 to be spent on the first stages of the Blaine-New Westminster highway; and \$360,000 to be spent on mining trails were signed Saturday.

Contracts for the first eight miles of the highway project were also awarded. The Coast Quarries Limited offer was rejected as illegal.

Dawson, Wade & Company Ltd., will do 5.7 miles between Pacific Highway and McLennan Road, at a cost of \$120,726. W. C. Arnett & Company Ltd., will do the second stage, 2.8 miles, at a cost of \$91,323.

**CROPS BEAR UP WELL DESPITE UNUSUALLY LONG DRY SPELL**

That crops in the Abbotsford-Sumas-Matsqui area are standing up remarkably well in the face of an unusually severe spell of dry, hot weather is borne out by the experience of A. R. Keeping, who farms on the marginal lands of Sumas Prairie.

Hay crop on the Keeping farm averaged three tons to the acre, and Fall wheat, cut on Tuesday, looks even better than last year. Oats are one crop in doubt, even a rain now would probably be of little advantage to this crop.

Berry crops have been good, Karl Baker, whose farm is on the McKenzie road, in the News office Tuesday to advertise for pickers, reported raspberries as splendid, the price being low as a result of quantity, not quality.

**VALLEY ITEMS**

Interviewed by Maple Ridge Junior Board of Trade, D. W. Strachan, M.L.A., Dewdney, stated he was working on a plan for a road into Garibaldi Park from Haney. He requested data on the Junior Board's ski camp project.

A white crow was shot on the farm of Mrs. Mabel Thompson, Chilliwack, last week. The head was a dirty gray, but the bird was snow-white from the neck down.

Maple Ridge Senior Board of Trade and Haney Women's Institute are co-operating in efforts to provide a recreation ground for younger children. Wading pool and playground equipment are planned.

George I. Thornton, 78-year-old Sardis pioneer, sustained a cracked rib and injuries to his neck in a car accident near Hatzic last week.

Provincial police are investigating a mysterious dynamite explosion which blew up a culvert in Pitt Meadows before 1 a.m. Thursday.

Thursday has been declared a civic holiday in Surrey municipality to permit citizens to attend the Surrey excursion from White Rock to Victoria.

Pitt Meadows council has passed its new Vending Machine Bylaw. Fees are \$250 for every machine for every six months period.

**SLATER-STEWART**

A pretty wedding took place on Saturday, July 2, in Windsor United Church, when Margaret Elizabeth (Peggy), elder daughter of Mr. and Mrs. F. W. Stewart was united in marriage to Mr. John Slater, eldest son of Mr. and Mrs. J. Slater. The ceremony was performed by Rev. G. G. Hacker.

The bride was attended by her sister, Miss Charlotte Stewart. Mr. William Slater was his brother's best man.

Little Anna Rose Watson, niece of the groom, was flower girl. The wedding march was played by Miss Jean Kennedy and Miss Dorothy Sleight was the soloist.

A reception for 70 guests was held at the home of the bride. The bride and groom left by motor for Portland. On their return, Mr. and Mrs. Slater will make their home in Aldergrove.

**STRAITON**

Mrs. Tom Straiton is convalescing at home after her recent illness and confinement to M.S.A. General hospital.

Miss Nellie Keeping is at Ridge-dale.

Miss Noreen Smith is home from New Westminster.

Miss Lela Corbett is attending summer school at Victoria.

ANDREWS NIP ORPHANS

IN SOFTBALL TILT

Trailing behind as the result of costly errors in the first three frames of the game, Nelson-Lawrence "Orphans" staged a merry-go-round in the sixth to tie the score against the Andrews' squad. However, they failed to hold the grocerymen in the seventh and the winning runs were pushed across. Final score was 15-13. (No, it was softball, not basketball.)

Heavy hitting was the order of the evening. Vanetta gathered a homer and a three-bagger, while Johnnie Pernoski also welded the willow wallantly. At one stage of the game, two-baggers caused no comment and singles were scoffed at. No foolin'!

NEW STEPS TO

UNITED CHURCH

An imposing new flight of some forty steps vastly improves the approach to Trinity United church which occupies a knoll site on West Essendene avenue. The steps, more conveniently located than their predecessors, take off from the recently extended concrete sidewalk on Essendene avenue and serve both the main auditorium and new Sunday school hall of the church.

PITT MEADOWS TOO

STRONG FOR LOCAL

BOXLA SQUAD

Five goals from the first five shots fired at the Abbotsford net-minder took the 'steam' from the Abbotsford 'crosse-slingers' in their game against Pitt Meadows on Friday evening, and the north-river team piled up a lead the locals were unable to overcome. Final score was 9-4. McInnes (2), Irvine and Sutherland tallied for Abbotsford.

FLASH!—Recheck of the score sheet of the Orphan-Dwarfs game reveals the score was 15-15, not 15-13, as believed at the time. The game will be replayed.
